

Poland Daily

POL: In May unemployment rate rose to 6.0% from 5.8% in April and 5.4% in March. In May number of unemployed increased by 45.9 thousands to 1011.7 thousands persons after an increase of 56.4 thousands in April. A rise in the number of unemployed is moderate but occurs in the environment of employment stabilizing government's programs. Crucial months for the labour market will be September and October that are key months for setting business conditions in a given year.

POL: MPC member Jerzy Kropiwnicki said that the central bank should gradually normalize level of interest rates in Poland. In his view interest rate cuts are not effective in boosting economic growth while interest rate hikes are much more effective in controlling inflation. In his view the MPC should start hiking interest rates in 2021.

POL: PM Mateusz Morawiecki announced that schools would be opened in September and starting from October universities will start functioning in a usual mode.
